

SPA DESCRIPTION

The sybaritic Asphodel Spa is a hymn to nature, intriguing to the senses yet calming to the mind. The sound of falling water, the fine incense of ouzo and anise, the breeze in the garden treatment rooms, the rich natural textures; these and a variety of treatments offering different experiences and Elemis products have been deployed in its design to awake all the senses and sooth the body and mind. This is one of the best spas in the world, a space that can keep the visitor content day after day.

Harnessing this power, we then bathe the stones in warm water and anoint them with exotic, sensual aromas of the Orient. Small stones are placed on key energy points of the body, evoking an aura of warmth, whilst the deep penetrating heat from the stones are used to massage the body using traditional techniques to ease the pain and tension of aching muscles as well as deeply relax and rebalance the mind and body.
